5 October 2011

Dear Parent/Guardian

This is a reminder that your son or daughter may well have a January exam that is a '**resit**' of an exam they sat in May or June last year. The purpose of the 'resit' will be to improve their grade. Their subject teacher will have provided a form to complete with the cost associated with the particular subject and exam board. Fees vary, from around £7, and the **deadline** for handing the form and payment to the **Finance Post Box** near reception is **Monday 17<sup>th</sup> October**. The exam boards *double* the fees when deadlines are missed.

Please ensure that this does not apply to your son or daughter.

The College is extremely keen for all appropriate resit exams to be sat by students so that they reach their full potential in all their subjects.

Don't hesitate to contact me at the College if you have any questions.

Yours sincerely

Mr A Weston
