

21 May 2010

Dear Parent/Carer

Newmarket College
School Uniform Sept 2010

Following extensive consultation we have decided to introduce a new school uniform from September 2010. The new uniform will be:

- Navy blue reversible waterproof jacket with logo¹
- Navy blue cotton mix jumper with logo
- Plain white polo shirt
- Black trousers/skirt

PE Kit²

- Navy Hoodie with logo
- Black and white reversible rugby shirt (boys only)
- Sky blue sports polo shirt with logo
- Black skort (girls only)
- Black shorts
- Black swimming costume (racing back – girls only)
- Black swimming shorts (boys only)
- Black long sports socks

May I also take this opportunity to remind you that all students must wear black shoes (not trainers).

The new uniform may be purchased on the internet from www.yourschooluniform.com. It is not available just yet as we have only just agreed the contract, but our hope is that you will be able to start using the site in about 1-2 weeks' time. There is a delivery charge of £1.95 for orders below £35, but parents may group together to avoid this charge. If you do not have access to a computer at all, please contact the college office. We have looked at different suppliers and, even including the delivery fee, the prices are very competitive. A full price list will be available on the college website www.ncol.com in the very near future. We have arranged to have a variety of samples in college on 15th and 16th July after school when current students may try them on for size.

Lastly, we are now changing to the summer uniform from Monday, 24 May 2010. This means that blazers now become optional, but they are still the only outer layer to be worn in college. Jumpers may not be worn as an outer layer. Students may therefore wear a white shirt or polo shirt, with black trousers or skirt and black shoes. Hoodies are not allowed and will be confiscated if seen in college.

Yours sincerely

Dr R Cadwalladr
Principal

¹ Optional – but the only outer layer to be worn in college

² You may still be able to purchase old style PE polo shirts from Newmarket Sports if preferred
